**Next P&C Association Meeting - Monday 27 October at 2.45pm in the library**

## Let's Get the Party Started!

### Let's Get the Party Started

For the whole of Term 3, Year 9 students have been participating in the "Let's Get the Party Started" program which incorporated activities to teach students that 'alcohol free is the way to be'. Most of the activities involved examples of typical standard drinks. Students acted out role plays finding themselves in a situation involving decision making and peer pressure. Students had to make a decision on what would be the right choice.

Last Wednesday 10 September, the Year 9s held a drug and alcohol free parent evening at the CYC. The 'Band/Musicians themed evening provided entertainment by the students and involved parent participation, including the obstacle course and quiz challenges. This event showcased to parents and teachers what students have learnt this term about the dangers of drugs and alcohol.

Parents and students participating in the quiz

Collinsville High School and the Year 9 class would like to thank the invaluable support provided by School Nurse Heather, the Collinsville Youth Coalition and Morris Corporation.

## #MNDicebucketchallenge

The Ice Bucket Challenge which has gone viral and is sweeping the globe is making its way to Collinsville SHS. To date the challenge has raised over \$2 million dollars for Motor Neurone Disease (MND) research and to support those living with the disease and our Admin team wants to their own bit to support this worthy cause (and have a bit of FUN in the bargain!!)

That's right, Principal Frank Kingma and Head of Departments Sue Lawn, Margaret Farmer and Melinda Daly have decided they're up for the challenge. Students and the wider community are asked to dig deep. If \$200+ is raised by Friday 31 October, ice and water will be tipped over the heads of our Head of Departments. For an extra \$50 Mr Kingma will join in the icy challenge and \$50 more will see students having fun colouring his hair. So, get your friends and neighbours on board and let's make this challenge a reality. Donations can be made at the school office.

## PAUL STANLEY – "One Punch Can Kill"

Paul Stanley and his wife Kaye are the founders of the *Matthew Stanley Foundation* which was established following the loss of their teenage son aged just 15, after he was bashed outside a teenager's party. Collinsville State High students were fortunate to be included in their recent tour of the Whitsundays region. The Matthew Stanley Foundation seeks to promote non-violence and mutual respect among young people and responsible behaviour in the adult community. A huge thank-you must be extended to both Paul Stanley and Sergeant Nigel Dalton for their unforgettable presentation.

## Mocktail Evening

Year 10, 11 and 12 students attended the annual Senior *Mocktail Evening*, (also a student council fundraiser) earlier this month. Many delicious Mocktails, including a 'Virgin Pina Colada' were served up by the Year 11/12 Hospitality students as part of their practical assessment. It was a fun night of dancing and games such as the 'Mummy' and 'Peanut' games.

Kyhra Brunker, Mayel Borlagdatan, Emily McIntyre and Brittny Hathaway enjoying the Mocktail evening

Sam Lawn and Sean Batchelor wrapping up their team-mate in the 'Mummy' game

Tyler Hoffman and Hayley Messenger playing the 'Peanut' game

### Keep a watch on our school these holidays

With the holidays upon us, we need you to look out for after-hours crime in our school.

If you see anything suspicious, please don't attempt to intervene. Call the School Watch number – 13 17 88.

The School Watch Program is a partnership between Education Queensland, the Queensland Police Service and the State Government Protective Security Service. It aims to reduce vandalism, theft and arson in Queensland schools.

Keep the number handy – 13 17 88 – and let's work together to help create a safer school community.

### Belle/Beau of the Ball Criteria

#### Panel Composition:

The two students are selected by a panel of three members — a nominee of the Principal, a member of the Teaching Staff and a representative of the organising committee who is ineligible for Belle/Beau of the Ball.

#### Criteria:

The criteria used to select the recipients are as follows:

#### Year Level

Preference is given to Senior students with Yr 12 students receiving 5 points, Yr 11 students 4 points, Yr 10 students 2 points and Yr 8/9 students 1 point.

#### Attire

A maximum of 5 points. Considerations include matching with partner (if relevant), commitment to maintaining standards throughout the event eg footwear, ties etc (though males may remove jacket as appropriate), and acknowledgement of formal character of the event.

#### Participation

A maximum of 5 points for degree of active involvement in both "old time" and "modern" sections of the program.

#### Other behaviour

A maximum of 5 points is allotted for students based on general behaviour throughout the evening. Examples of these include interactions, co-operation, showing respect and consideration for others, actively encouraging and helping others to participate and using humour appropriately throughout the evening.

## THAT'S TOPS

Congratulations to this fortnight's recipients of the **That's Tops Awards:**

Krysta Taylor (Yr 11) and Mayel Borlagdatan (Yr 11)

## 'IMPACT'

### LEAVING YOUR MARK ON THE WORLD

Earlier this month all students travelled to the Community Centre to see 'IMPACT', a presentation by Motivational Media. Using high-tech graphics, Motivational Media provided a dynamic audio-visual presentation to help students develop strategies to cope with the everyday pressures of contemporary life. It focussed on how we can make a positive impact on others and our own lives.

The following inspiring stories were told at the presentation:

**Ryan Campbell** was inspired to fly from a young age and by his fifteenth birthday he was able to fly solo. He then set himself the goal of being the youngest person to fly solo around the world. Through determination he was able to overcome numerous hurdles and he was able to achieve this goal in 2013 at age nineteen.

**Elia** was a sixteen year old suffering from anorexia as a result of negative self-image and anxiety. Writing the song 'Unbreakable' helped to give her the resilience needed to find her way through her illness. Her song has also helped other girls working through similar issues.

**Sam Ford** was walking to a night club for his first time clubbing since turning eighteen. A punch from a drunken attacker left him with a fracture skull and massive long term brain damage. He now requires full time care from his family and finds it very difficult to communicate.

**Marita Cheng (2012 Young Australian of the Year)** was surprised that so few girls were studying engineering in her university engineering course. To encourage girls to go into this field, she started *Robogals* which brings robotic workshops to high school students. Robogals now has thousands of volunteers and operates throughout Australia and in the UK, US and Japan.

**Daniel Flynn (2014 Victorian Young Australian of the Year)** was struck by the contrast between the millions of people with no access to clean water, and the millions of dollars spent in Australia on bottled water, despite having ready access to clean water from the tap. Along with a couple of friends he started the "Thankyou water" social enterprise; selling bottled water in Australia and investing profits in clean water projects in developing nations.

**HI HO, HI HO** It's off to work they go.....

This week our Year 10 students are experiencing their chosen field of work. Students have been placed in businesses in Bowen, Collinsville, Airlie Beach and even one in Normanton. While the usual occupations like Beauty and Mechanical Services again proved popular, there are a few different ones this year such as Personal Fitness and a Surveyor.

A huge thank you to the following business for agreeing to take on students for this week:

**Collinsville:** ER Mechanical; Pattel's, Queensland Country Credit Union, Leighton Contractors, Nitta Hair & Beauty, Collinsville Connect Telecentre; UpBuilt, G Spot Engineering & Mechanical, Searles Transport, RTM Engineering (Bowen), Extreme Fitness (Airlie Beach) and Hawkins Transport (Normanton)

Without the support of these businesses our students would not have been able to participate in this worthwhile experience. We look forward to working with you again in the future.

Josh Barry experiencing life as a mechanic at ER Mechanical

Kailan Batchelor learning about changing tyres at Pattels Transport

**IMPORTANT DATES**

**September**

19 Last day of school for Term 3

**October**

6 Labour Day Public Holiday

7 School resumes

11 School Ball

13 Miners Memorial Day

16 WHAM Expo

20 Student Free Day

**Teachers Versus Student Dodge Ball Competition**

Thursday first break was certainly full of ducking, diving dipping and dodging as the students took on the teachers in a game of dodge ball. In a Round Robin style competition the teacher's team defeated both the Junior and Senior teams. In the final match of the day saw the Seniors take home the medallions as they defeated the Juniors in what was certainly a very close match. Massive thanks must be extended to the Junior Secondary Student Council who organised this very exciting and successful activity.

**Term III Report Cards**

Interim Report Cards are contained in this mail out. If you do not receive yours please contact the school on 4785 8111 to obtain a copy.

- Fri 19 NRL Night - Cowboys v Roosters  
Dress in your team colours

It only takes **1 hour a month** of your time...

Please call for more information

Norrien - 07 4785 5436 or Sue - 07 4785 6934

**Meals on Wheels**  
Collinsville and Scottville

## This Week's Recipe...

...is brought to us by teacher Mrs McMurray

## CHICKEN, CHILLI JAM & NOODLE STIR-FRY

### Ingredients:

250g flat rice stick noodles  
400g chicken breast  
1 onion  
1 red capsicum  
1 Tbl peanut oil  
2 Tbl chilli jam  
2 tsp fish sauce  
2 Tbl light soy sauce  
90g bean sprouts  
100g unsalted cashew nuts  
30g loosely packed basil  
2 Tbl basil, extra, to garnish

### Method:

1. Place the noodles in a large heatproof bowl, cover with warm water and soak for 15 – 20 minutes. Drain well.
2. Cut the chicken breast fillets into 5mm slices against the grain. Halve the onion and cut into thin wedges. Cut the capsicum in half, remove the seeds and membrane, then cut into thin strips with a sharp knife.
3. Heat a wok over high heat, add the peanut oil and swirl to coat the side. Cook the onion for 1 – 2 minutes, or until lightly golden. Add the chicken slices and cook for a further 3 – 5 minutes, or until browned and almost cooked through. Stir in the chilli jam, then add the capsicum and cook for another minute.
4. Add the fish sauce, soy sauce, bean sprouts, cashew nuts, basil and the noodles to the wok and toss until warmed through and well combined. Garnish with the extra basil and serve immediately.

## BOWEN

### FRESH 2U

Wholesale Fruit and Veg  
and  
Your Local Greengrocer

Bruce Highway Bowen South

Supplying a large range of wholesale fruit and vegetables to the local businesses and the public.
