Quadrennial School Review
In 2016, Collinsville SHS will be conducting a quadrennial school review as part of the Department of Education and Training’s planning, performance and improvement cycle. This review involves:

- assessment of the achievements of the previous School Plan
- consideration of previous School Plan priorities requiring renewed focus
- re-examination of the school context, curriculum, pedagogy, student diversity, workforce, resource management and other planning requirements
- consideration of all resources within the context of school planning
- consideration of department's strategic plan.

The Quadrennial School Review committee is comprised of a representative from the following groups:

- Principal – Heather Murry
- Head of Department – Margaret Farmer
- Teacher – Sonia Bennett
- Ancillary staff – Sue Marshall
- Student – Bianca Anonuevo
- Parent – Johanna Oats

School Improvement Review
On Wednesday 7th and Thursday 8th September, the School Improvement Unit (SIU) will be conducting a full school review as part of our Quadrennial School Review. The review is based on the National School Improvement Tool (NSIT).

Full school reviews are conducted by a review team appointed by the SIU in consultation with the school and region. The review team is chaired by an internal reviewer and includes an external reviewer and a principal peer reviewer.

Generally, full school reviews take up to three days depending on the school’s size and complexity. The review team will look at the school’s performance data and other relevant information. They will also talk to the assistant regional director, staff, students, parents and other members of the school community.

At the completion of the review, the team will present its findings to the school in a written report.

Semester Two Rewards Day
The semester two (terms three and four) Rewards Day will be held on Friday 25th November in term four. To be invited to attend, students need to achieve:

- ≥ 90% attendance.
- 100% compliance with the school uniform.
- ‘Very Good’ or ‘Excellent’ for Behaviour and Effort in all subjects.

Staffing

This week we say farewell to Mrs Alison Whelan and Ms Jenna Green who are both taking leave for the birth of their child.

Unfortunately, Ms Green will not be returning to Collinsville State High School as she will be transferring back to Burnside State High School at the end of this year. Ms Green’s contribution in the areas of Health and Physical Education and Hospitality has been tremendous during her time here and I wish her all the best for the birth of her first child and her future teaching career.

Mrs Whelan will be returning next year and I would also like to take this opportunity to thank her hard work and effort in the office and to wish her the very best for the birth of her second child.

I would also like to welcome to the team Bianca Wilson (Teacher Aide), Nick Young (Teacher Aide) and Warren Whitton (Facilities Officer).

School Ball

Preparations are well underway for the ‘Great Gatsby’ on October 8th. Years 10, 11 and 12 students wishing to invite a partner to the ball that is not from this school, will be required to write a letter addressed to ‘Ms Murry’ containing the following particulars:
- Name of the person you are requesting to attend
- Age of the person
- Relationship to the student
- Why they would like to request their attendance

P&C News

All parents/carers are welcome to attend our upcoming meetings on Monday 22nd August and Monday 12th September. These are held in the school library from 3.00pm.

Yours sincerely,

Heather Murry
Principal

Spirit of Anzac Centenary Experience

On the 27th July, 48 students from Years 7 – 10 students classes travelled to Mackay to attend the Spirit of Anzac Centenary Experience. This flagship community event of the Anzac centenary is touring Australia and visiting 23 locations across the nation. We were lucky to be able to attend this once in a lifetime experience due to being awarded a Queensland School travel bursary application to cover bus travel.

The experience tells the story of Australia’s involvement in the First World War, and the ensuing Century of Service of Australia’s armed forces in all wars, conflicts and peacekeeping operations in which Australia has been involved. The Spirit of Anzac Centenary Experience follows a chronological timeline spanning the period from pre-First World War Australia to the present day, using a mix of visuals, artefacts, audio and film to engage visitors.

Many thanks to History teachers Mr Sanson and Mrs Wilson for accompanying me on this excursion.

TRANSPORT TO HIGH SCHOOL 2017

Once again the process of transitioning the current Year 6 students from our three surrounding Primary schools has commenced. Over this semester the students will visit fortnightly to give them a taste of high school life and hopefully ensure that their transition is a smooth one. Last Wednesday the students actively engaged in a range of team building activities to help them become familiar with their new surrounds and the structure of high school life.

NAIDOC CELEBRATIONS

On Wednesday 3rd August, students attended Scottville State School to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander peoples as part of NAIDOC week.

On the day, students had the opportunity to participate in a range of activities including story time, boomerang painting, rock painting and dance.

**STUDENT COUNCIL DONATE TO THE OZ OUTBACK ODYSSEY**

Recently Collinsville was fortunate to play host to the OZ Outback Odyssey. 2016 is the 24th year of this unique event which packs a life-time of experiences of travelling through the Australian Outback into one awesome week as entrants traverse rugged, spectacular and remote regions of Australia in pre 1985 vehicles and 4WD support vehicles. What’s more they do this in attempt to raise funds for the Royal Flying Doctors Service, a lifesaving, invaluable service to regional and outback Australia.

It was an absolute honour to assist them in their endeavour, as Collinsville State High School Student Council donated $450 to this cause.

The student council happily donated not only the profits from the Senior Mocktail Party but also all monies raised from sticking Ms Daly to the wall and the student council raffle. We would also like to take this opportunity to thank the OZ Outback Odyssey entrants for visiting our community and wish them all the best in their endeavours.

**Dale Last MP Donation**

The P & C were fortunate last week to receive a donation of an IPAD from Dale Last, MP for Burdekin. Receiving this donation is Secretary, Sue Lawn.
ATHLETICS: Boomerangs Determination Shines Through

The all mighty Woomeras nearly took out a clean sweep, winning both the swimming and cross-country carnival this year... sadly the determined Boomerangs defeated them in this year’s inter-house Athletics! Throughout the lead up events Woomera proved to be the stronger team however as the day rounded to a close Boomerang emerged triumphant with a 72-point lead.

What a spectacular day it was, achieving some personal bests, high participation levels as well as displaying some amazing team spirit that was nothing short of inspirational!

Students put their strength to the test during the tug-o-war championship with the junior Woomera team defeating the junior Boomerangs. However, this upset the senior Boomerangs who did the team proud taking a win! It was fantastic to see that all students were enthusiastic with their attire and war cry efforts demonstrating their comradery with fellow house mates throughout the day. The competitors in the Prix de Honor ran hard, after a nail biting 13 seconds Cooper Begg and Selina Nothrop came across the line victorious.

A huge thank you to everyone who helped make this day “the best day of the year”. Special mention to Lorna Drinkwater for making sure the grounds were pristine and the staff and students’ lending a hand during the lead up events and finally the enormous determination staff showed on Friday to make sure it was a successful day.

Congratulations to all of our age champions (pictured below) well done on your amazing efforts on the day and the lead up events for our 2016 athletics carnival, well done!
