STUDENT EXECUTIVES NOMINATE FOR #MND ICE BUCKET CHALLENGE

Student Council Executives Rohan Gordon, Will Howarth, Krysta Taylor and Sean Batchelor decided they were up for the challenge. Having successfully reached this target already with $267.55, the Induction ceremony was the perfect time for them to do the challenge. Funds raised are donated towards Motor Neurone Disease (MND) research and to support those living with the disease. We would like to thank everyone who donated towards this worthy cause. The next challenge is already on. You can donate at the school during office hours. If $300 is raised Joel May (Glencore), Sonya Batchelor, Brenton Murray and Dave Fry will be up for the challenge. So please dig deep for this great cause.

The **Shift**

Collinsville High had the pleasure of viewing the Arts Council performance called **Shift**. Travelling from Brisbane, the two performers based their contemporary dance theatre performance on the theme of bullying by basing it on approximately 60 interviews from students aged 6-18. Their intricate and fascinating performance included three student ‘volunteers’ – Mayel Borlagdatan, Rohan Gordon and Tyler Hoffman, who listened to performance cues through headphones and iPods. **Shift** looked at the power struggle, peer pressure and the affect social media can have in terms of bullying. Overall, it was evident that the students of Collinsville High appreciated the effort by all the performers and enjoyed watching the journey of dance theatre. We look forward to welcoming the **Shift** performers back in the future.
