Local Partnerships and Vocational Skill Development

On-site learning with support from local experts

Over the past term our Senior Industrial Technology students have been hard at work on their construction and concreting unit. To ensure their studies also have real world and industry relevance, Mrs Marshall and the Collinsville High School partnered with local business Up Built to improve and renovate the Sport Shelters on the school oval.

With the regular support from their industry support, Nick Upton, our students planned and ran the entire project to renovate these dilapidated structures, and provide them with much needed concrete floors and new seating.

With a 6.30 am start this final week of term, the students laid the concrete in what was a hot back-breaking day. The students and their mentors did a fantastic high quality job on what is the biggest single part of their project. It was a real high note on which to finish a long hard term of school.

We would like to particularly acknowledge the enormous support from Nick Upton in helping our students develop their industry skills, and contribute to some very important infrastructure in the school. These facilities will be a great asset to many sports events and students over many years. We look forward to the final product with anticipation.

Next P&C Association Meeting - Monday, 12th October 2015 at 2:45 pm in the library

NOTICE FOR PARENTS

The next Parents & Citizens Association meeting will be on Monday 12 October at 2.45pm. We invite all parents to come along and have their say in how funds raised from the Collinsville Bacon Busters & Bull Ride will be spent.

Keep a watch on our school these holidays

With the holidays upon us, we need you to look out for after-hours crime in our school.

If you see anything suspicious, please don’t attempt to intervene. Call the School Watch number – 13 17 88. The School Watch Program is a partnership between Education Queensland, the Queensland Police Service and the State Government Protective Security Service. It aims to reduce vandalism, theft and arson in Queensland schools.

Keep the number handy – 13 17 88 – and let’s work together to help create a safer school.

The 2015 Senior Mocktail party was another successful fundraising event with 26 students & staff donning leis and enjoying food, music, games and delicious mocktails. A big THANK YOU must go to Miss Green and her hospitality students who prepared mocktails, as part of their practical assessment, to match the tropical theme that was evident on the night. The fruity Collinsville Sunrise and creamy Friday Delight were definitely the most popular. A huge THANK YOU must also go out to the Pit Pony Tavern and IGA for generously donating the light supper on the evening.

Ball Tickets
Tickets to this year’s ‘Vintage’ themed ball are now available for purchase from the office until Friday 9th October.

Tickets are again priced at an affordable $20.

Belle/Beau of the Ball Criteria

Panel Composition:
The two students are selected by a panel of three members — a nominee of the Principal, a member of the Teaching Staff and a representative of the organising committee who is ineligible for Belle/Beau of the Ball.

Criteria:
The criteria used to select the recipients are as follows:

Year Level
Preference is given to Senior students with Yr 12 students receiving 5 points, Yr 11 students 4 points, Yr 10 students 2 points and Yr 7/8/9 students 1 point.

Attire
A maximum of 5 points. Considerations include matching with partner (if relevant), commitment to maintaining standards throughout the event eg footwear, ties etc (though males may remove jacket as appropriate), and acknowledgement of formal character of the event.

Participation
A maximum of 5 points for degree of active involvement in both “old time” and “modern” sections of the program.

Other behaviour
A maximum of 5 points is allotted for students based on general behaviour throughout the evening. Examples of these include interactions, co-operation, showing respect and consideration for others, actively encouraging and helping others to participate and using humour appropriately throughout the evening.

Procedure:
The judges observe the students throughout the evening and compile a personal short-list using the stated criteria. They then discuss their choices amongst themselves, including why you have chosen the particular students.

PRELOVED FORMAL WEAR SALE.
Gorgeous Formal Gowns are now available. Prices start at only $55.
Worn once they are worth a look.
