Good bye and Good luck Class of 2015

Yet another cohort of students are set to graduate from Collinsville State High School. From the group of 25 shy students they once were, the have become a slightly small group of 24 who have individually and collectively achieved great things.

We wish them all the very best for the future - whatever it may bring.

Students were treated to a Halloween Free dress red day on Friday 30th October. They were able to participate in a “Who done it?” crime scene with students getting the clues and body outlines and, in true horror style, had to solve who killed who with what. They were then treated to ghoulish goodies like spider biscuits and worm jelly cups. To finish the fun day students participated in the best dressed competition with winners Billy Hinchcliffe and Dorothy Vallada awarded a goodies bag.
